نصب web Importer

The screenshot displays the Mendeley Web Importer interface. At the top, the Mendeley logo and navigation links (Search, Library, razi eh zahedi) are visible. Below the navigation bar, the 'Web Importer' tab is selected. The main content area features the heading 'Mendeley Web Importer' and a description: 'Import papers, web pages and other documents directly into your reference library from search engines and academic databases. Mendeley Web Importer is available for all major web browsers.' A red button labeled 'Get Web Importer for Chrome' is positioned below the text. On the right side, a white pop-up window shows a list of detected references. The first reference is checked and includes the title 'Developmental Programming of Fetal Growth and Development', the authors 'S Mishchenko, A Valenti et al.', and the journal 'American Journal of Obstetrics and Gynecology, 2016'. The second reference is unchecked and includes the title 'Fetal growth velocity: the NICHD fetal growth studies conducted in 2019 Q1'. The pop-up window also contains a 'Select all' button and an 'Add to Mendeley' button.

The screenshot shows the Scopus search results page. At the top, there are tabs for 'Search', 'Alerts', and 'Lists'. A search bar contains the text 'TITLE-ABS-KEY (ataxia)'. Below the search bar, there are buttons for 'Export' and 'Download PDF'. A red box highlights the 'Export' button. A dialog box is open over the 'Export' button, titled 'Choose your default reference manager or file type:'. The dialog box has two main sections: 'Choose your default reference manager or file type:' and 'Choose the information to export:'. In the first section, 'Save to Mendeley' is selected and highlighted with a red box. Other options include 'RIS Format', 'EndNote, Reference Manager', 'CSV', 'Excel', 'BibTeX', 'Text', and 'ASCII in HTML'. In the second section, 'Citation information only' is selected in a dropdown menu. Below the dropdown, it says 'Selected field includes: Citation information, Author(s), document title, year, source title, volume, issue, pages, citation count, source and document Type, DOI'. There is an 'Export' button at the bottom of the dialog box. In the background, the search results are visible, including a list of articles. A red box highlights the 'Save all' button at the top right of the search results. A purple callout box with Persian text points to the 'Export' button and the 'Save all' button. The Persian text reads: 'با انتخاب مقاله مورد نظر آن را به کتابخانه شخصی خود اضافه کنید.' (Add the selected article to your personal library.)

جستجو و انتقال منابع اطلاعاتی به Mendeley

The screenshot displays the Mendeley Reference Manager interface. At the top, there is a navigation bar with the Mendeley logo, the word "Library", and a "Notebook" tab. A notification banner at the top right states: "An update is ready to install. [Restart](#) Mendeley Reference Manager to install version 2.81.0".

The main area is titled "All References" and contains a table of references. The table has columns for "AUTHORS", "YEAR", and "TITLE". Two references are visible:

| | AUTHORS | YEAR | TITLE |
|--------------------------|---|------|---|
| <input type="checkbox"/> | Barnes P, Jonsson B, Klim J | 1996 | The costs of asthma |
| <input type="checkbox"/> | Chaffin N, Brodney S, Gavaruzzi T, Zisman-Il... | 2021 | Do Personal Stories Make Patient Decision Aids Mo |

On the left side, there is a sidebar with a "+Add new" button. A dropdown menu is open from this button, showing options: "File(s) from computer", "Add entry manually", and "Import library >". Below this, there are icons for "My Publications" and "Trash". A secondary dropdown menu is open from "File(s) from computer", showing file format options: "BibTeX (*.bib)", "Endnote XML (*.xml)", and "RIS (*.ris)".
